

Area 5 Winter Flat Show 2011 was very well blessed with the new venue and as we had all hoped for glorious weather. It is always a apprehensive time when a new venue is used, but we had some very good feedback from competitors and spectators there was excellent food and most importantly fantastic arenas and good parking. We had some exciting championships with some very behaved ponies that were all looking in top condition early on and ready for the oncoming season, and most importantly it was lovely to see all the children with big smiling faces

The teach in with Julie Templeton has now been re-scheduled to Tuesday 19th April, please contact Marilyn for more details and booking forms

This years AGM was held at six hills golf club and we would like to thank everyone who came.

Young Judges

Our young judges competition gives you great opportunity to be involved within your area, training opportunities with producers, and an in site to judges opinions and also to meet new members If you are interested in taking part in our young judges team competition, then please contact Marilyn.

If you would like your news, results or pictures on the website or if you would like a mention in the news review then please contact Emma .
