

### **BSPS Leading Rider of the Year**

Well done to Imogen Sidaway who won the 10 years and under open section. We must also mention her lovely ponies who helped her collect 690 points! Also worth a mention is her mum who remembered to email the points after every show.... some of us weren't so efficient! Hopefully some area 5 members will be able to attend the AGM on February 4th 2012 to cheer and clap when Imogen collects her prize.
